

Safety-Walk™ Cushion Matting for Maintenance Operations

MRO
Essentials

Textured, cushioned support for fatigue resistance and safety

Standing while working is fatiguing and that can be counter-productive. For comfort, morale, and productivity in dry environments, 3M™ Safety-Walk™ Cushion Matting 3270 absorbs foot pressure and impact to reduce leg and back fatigue. The black textured surface also increases traction for safer footing.

Consider all of the following when thinking about floor mats anywhere in your business from reception area to assembly lines and packaging stations:

- Continuous coiled vinyl compresses and cushions evenly across the foot with fewer high pressure spots than other mats
- Textured surface helps prevent accidental falls
- Solid surface keeps debris and liquid on top for easy removal
- Coils are fused to the top surface for durable performance under heavy foot traffic
- Resists water with no delamination like foam mats when wet
- Antimicrobial coating resists mildew, fungus, and odors to extend mat life
- Lightweight for easy moving
- Quick and easy to clean: generally just shake the mat to remove debris; damp mop top surface

3M™ Safety-Walk™ Cushion Matting

Product Number	UPC 00-048011	Size	Case Qty	Color
3270	34819-3	3'x5'	1	Black
3270	34820-9	4'x6'	1	Black
3270	34821-6	3'x10'	1	Black
3270	34822-3	4'x10'	1	Black

Product Use: All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

Warranty and Limited Remedy: Unless stated otherwise in 3M's product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packages. **3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.** User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.

Limitation of Liability: Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
