Description: Category 6 48 Port Patch Panel With Rack-Snaps, 2U, Black, 1/box

Base Data		
	Local Order Number	PP110C648RS
	Type	PP110C648RS
	Color	Black (BK)
	Features and Benefits	• To ease installation, panels are offered with Rack-Snap inserts which dramatically reduce installation time as they eliminate the need for tools and cage nuts in standard EIA-310-D standard racks or cabinets with square holes. • Write-on labels provided for easy identification. • Clear plastic channel protects PCB and allows easy viewing of wiring label.
	Quantity Per	box
	Product Description	The MegaBand Panel has been designed to offer exceptional Category 5e performance and value and is available in 1U 24 port and 2U 48 port versions with optional rear cable management. The panel presents 48 Category 5e ports in 2U of space and is supplied with a sliding label panel and Rack Snap mounting fixings as standard. The MegaBand products are designed to support any data or voice protocol capable of running over a Category 5e cabling system.
